1963 Falcon Sprint

Jacksonville, Florida

August 2002

Dennis Mortimer of Jacksonville, Florida purchased his Sprint in August 1986, paying \$900. He writes, "After 15 years of work and putting two daughters through private college, it is now roadworthy."

He kept everything stock except for a new C-4 transmission. The Mortimers drive her "every weeeekend (weather permitting) to local cruise-ins and car shows around Florida. With the top down, you make a lot of new friends."

The finished product was photographed on December 26, 2000 at the North Jetties in Jacksonville. See more photos on page 8.

Do you have a photo of your Falcon for the cover of The Falcon National News?

Send photos with a self addressed stamped envelope if you want them returned. Include a few paragraphs about yourself and your Falcon and send to the Editor at the address on this page. Digital files: send hi res JPEGs that will convert to 300 dpi at 3x5 inches. Have several large digital files? Send on CD, please.

President's Message

Although the National Meet is now in the history books, we will cherish the memories of that very special time spent with our Falcon family members.

Congratulations to the Music City Chapter for hosting an incredible meet. Those folks in Tennessee really know how to put on a good time! Look for all the details in the December issue of the National Falcon News.

The National Meet is always a good time to meet Falcon owners who don't belong to the FCA (yet!) and show them what a super club we have. There is a Membership Application in this issue — copy it and give copies to Falcon owners you know. Growth and new members will keep our club strong and our Falcons in top condition.

There are still several Regional Falcon Meets to make plans for. The Keystone Regional is held on September 6-7 in Pennsylvania. The Gateway Chapter will hold their Regional Falcon Meet and All Ford Day in St. Charles September 27-29. Also on that weekend, the Carolinas Chapter will hold their Regional Meet. That will be a good weekend to go to a Falcon Show. The Texas Regional Meet is being held in Houston this year, hosted by the Space City Chapter on October 18-19. The Heart of Texas Chapter is taking a year off from hosting the Regional so they can put all their efforts into preparing for the 2003 National Falcon Meet in Arlington, Texas. Plan now to attend.

Use the registration forms in this issue to sign up for the fall Regional Meets you can attend. The show season is certainly not over yet!

Carol and I are now proud grandparents —twice! Of course, you'll have to see the pictures soon!

Lynn Allen Jensen of Millsboro, Delaware died May 19, 2002 at his home. He was 55. He served 21 years in the Air Force Reserve, including 2 tours in Vietnam, retiring in 1991. Lynn worked 22 years for Conectiv at Dagsboro, DE until he retired in 2001. He was a charter member of the Mason Dixon Chapter, formed in June 1983. He was also a member of the Harley Owners Group of Seaford, the Mustang Club of Legion Post 28 and the Christian Motorcycle Club.

Lynn was extremely active as a member of the Mason Dixon Chapter. He served as Treasurer and will be fondly remembered for his efforts at establishing our vendor space at Carlisle. He had a vast knowledge of things mechanical, a great sense of humor and a tolerance for those all-wise or all-foolish. Lynn was always ready with his wit and charm to help with problems large and small. He was a joy to be around.

The Mason Dixon Chapter will miss him very much. He is survived by his wife of 18 years, Rachel Billings Jensen; three sons, two daughters, his father and a grandson.

DENNIS MORTIMER

FALCON FAMILY FOTOS

Erik Fuerst of Appleton, Wisconsin is FCA member #10560, his father Gary is #900. Erik writes "I have been going to car shows since the day I was born." His family currently has four Falcons. Erik says this is his "first but not last" Falcon. It's a 1963 4 door deluxe sedan with some modifications. The exterior is "pretty much stock" except for the painted bumpers and portions of the trim. Under the hood is a 1966 200 with a Clifford header, Weber 2bbl carb, bigger intake and exhaust valves, head decked, Mallory ignition, C-4 auto and K&N filter. The National Meet in Nashville marks the car's first Nationals.

Mike Hatzfeld of Pittsburgh, Pennsylvania writes that his 1963 2 door coupe is "All Ford" from bumper to bumper including the Falcon wheels. The car is 80% factory original but the drive train has been "pumped up" with a 320 cubic engine small block, c-4 transmission narrowed, 9" rear end with 4:11 gears. A real head turner!

James W. and Bobbie M. Phillips of Crestview, Florida are the owners of this 1965 4 door sedan. They bought the car at a used car lot in Columbus, Ohio in December 1968. For the last 34 years, the car has been a daily driver. The car sat outside until August 1997 when they purchased a carport. The original 170 engine was replaced ("sorrowfully") with a 200 in 1988. It has had two AAMCO transmissions since 1972, numerous mechanical parts and has registered over 400,000 miles!

It has been painted several times and the body has hardly any rust. All windows except the windshield are the original glass. All chrome is original except the bumpers which were rechromed. James writes, "as long as we can, we will continue to drive our Falcon. My wife has been a Falcon Club member for many years (FCA #0176!)."

In 1964, I bought a Falcon Futura 2 door hardtop. It had a V8, 4 speed, and a vinyl top. I don't have the car anymore, but was curious. Joe Solary, 954-321-8877 or winsum@mindspring.com. Plantation, FL
